INSPIRATION SWATCHES

Restless Rabbit

Sometimes a brand can feel like a deer in headlights. Paralyzed. Unsure of which direction to move.

Enter
Restless
Rabbit.

The Restless Rabbit design captivates me with its simplicity—
black and gray tones with a hint of green. This restrained palette creates sophistication,
while the green adds vibrancy. The bold typography enhances clarity and impact.
The clean layout ensures a seamless user experience. This design proves that minimalism,
contrast, and intention can make visuals powerful and engaging.
